## Behavior Incentives

---

**This year... the PBIS team is going to provide incentives to students who are on the following levels on the behavior poster on an intermittent basis.**

**Every once in a while at 3:30 we will announce over the intercom one of the levels below. Students who are on that level or above **THAT DAY** will receive the incentive!**

### Go for Green

**(Treasure box reward given in classroom - 10 point item.)**

### Yell for Yellow

**(School Store reward in cafeteria -20 point item.)**

### Rock the Red

**(School store reward in cafeteria - 30 point item!)**

**PBIS will be providing each classroom teacher a treasure box with 10 point items from the school store. When the yellow or red levels are called students will go to the cafeteria to meet Dr. Glenn or Ms. Gunther to select their reward.**

**Our hope is to keep students motivated to do well each and every day!**

**Kindly, The PBIS TEAM**
