## Title I Parent Engagement Plan "A Year at a Glance"

*The Parent Engagement Plan was jointly developed with parents by using input from the Title I Parent Survey from 2015-2016 and parent input gathered from the Title I Annual Meetings and School-Based Parent Advisory Council Meetings during 2016-2017.*

### Parent Advisory Council

Parents are invited to join the District Level and/or the School Level Parent Advisory Council Committee. This is your opportunity to share in decision making with the Title I Staff. Parent input is VITAL to our Title I program. Meeting dates are listed in the calendar on the back page of this plan. For more information, please contact the Title I Staff.

### Family Lending Library

Reading and/or Math materials will be available for check-out for your family to use at home. You can visit the Family Lending Library during Title I Family Events, parent visitation days, conference days, special school-wide events or by calling us to schedule a check-out time. Your child may also visit the library during the morning bus window in the primary building. At the intermediate building students may come during the morning and/or afternoon bus window. We are excited to help your child meet academic standards this year with this unique opportunity!

### Volunteering

Volunteers are ALWAYS welcome! Be sure to complete the online volunteer application at [www.calvertnet.k12.md.us](http://www.calvertnet.k12.md.us) or request a paper application from the front office. You can also join the Title I Parent Advisory Council Committee.

### Parent Teacher Association (PTA)

Title I supports and partners with the PTA. General PTA Meetings are held three times a year. Look for flyers about PTA meetings and events in your child's daily and Tuesday folders. You can contact the PTA president (Tavia Robinette) by calling the main office.

### What Parents Need to Know About Common Core

The Maryland College and Career Ready Standards (MCCRS) have been implemented in all schools across the state. Maryland's new standards are based on the Common Core State Standards. MCCRS define the knowledge and skills all students should master by the end of each grade in order to graduate from high school fully prepared to enter the workforce and college. The Partnership for Assessment of Readiness for College and Careers (PARCC) assessments will measure the higher order skills outlined in the new standards, such as critical thinking, communicating effectively, and problem solving. PARCC assessments will be held in April and May.

The Annual meeting is held in the Fall. In addition, a second Annual Meeting, following reranking, is held for new families & families who were unable to attend the meeting in the fall. All Title I families will receive a copy of the plan in their Title I folder. Copies remain available all year.

## The Title I School Compact Conference

This is a meeting between the Title I teachers and the families. During the meeting, the students' instructional focus is discussed with parents. The compact illustrates a shared responsibility for student achievement between the school, home, and student. A copy of this document is given to families to keep for their records.

## Title I Parent Engagement Plan

### "Detailed Version"

The goal for all Calvert County Public School students is to increase achievement and close learning gaps. PAC, a Title I Targeted assistance and Positive Behavioral Interventions and Supports (PBIS) School, believes that it is critical to partner up with parents to foster student success. Therefore, we support Epstein's six types of parent involvement:

- Parenting: Parenting tips and techniques for student behavioral, emotional, and social growth provided from school counselors via the school website, various handouts, guidance lending library, "Counselor's Corner" in school newsletter, classroom guidance updates, presentations at various family nights, and individual parent conferences
- Communicating: Parent phone calls, folders, mailings, parent conferences, email distribution list, newsletters
- Volunteering: Organized through the PTA as well as through school events
- Learning at Home: Family Lending Library, Title I Family Events
- Decision Making: District Level and School-based Parent Advisory Council meetings, Parent Surveys
- Collaborating with the Community: Judy Center, Head Start, HIPPIY/Healthy Families, Calvert Library Public Library, PTA and others coordinated at the district and school level

### Annual Meetings are Provided for All Title I Families

- ☞ Parents are encouraged to give feedback at the Annual Meeting concerning appropriateness of the distribution of money, including the spending of money for parent/family events.
- ☞ PAC will inform parents of their rights under Title I Part A Section 1118, including their right to participate in parent programs; during the Annual Meeting, Open House, and daily folder distribution.
